

The SHO Club Clean Water Pledge

A 501(c)(3) Tax-Deductible, Non-Profit Clean Water Organization

I, the undersigned, understand and fully support the letter, intent, and spirit of the mission of The Sag Harbor Oyster Club (TheSHOclub.org), a 501(c)(3) nonprofit clean water organization.

I pledge to sponsor or create a food garden and/or amend an existing forested area to include food-producing plants, and I understand this requires the full replacement of lawn in the designated area unless prevented by topography or lack of sunlight.

I further agree to enforce a permanent prohibition on the use of pesticides and herbicides on the subject property, and to restrict all fertilizer use to compost or compost-derived inputs only.

I make this donation with the knowledge that it contributes to a regenerative, community-based clean water initiative and understand that my pledge is fully tax-deductible to the extent allowed by law.
